Established by Chapter 15 of the Borough's Code  
7 members, 3-year term, Mayoral appointment

#### MISSION STATEMENT

“The mission of the Harrington Park Environmental Commission is to promote in general an environmental, ecological conservation and natural resources program for the Borough. The HPEC will study and make recommendations to the Mayor and Council on matters that concern open space, water resource management, air pollution, noise pollution, solid waste, soil and landscape protection, environmental appearances, marine resources, and protection of flora and fauna. In addition it is charged with research into the use of existing or potential open land areas within the municipality, as well as working with other organizations or unofficial bodies concerned with open space and environmental issues.”

The Environmental Commission generally meets on the first Wednesday of the month  
at 7:30pm at the Borough Hall.
