HEALTH HINT

Summer encourages outdoor activities such as swimming, biking, gardening and sports. That means more time in the sun. Everyone should limit their exposure to the sun during the hours of 10am-4pm. Make sure a sunblock is used to protect against the sun's damaging UV rays which could cause skin cancer.

SENIOR FREEZE DEADLINE-JUNE 1, 2009

Based on information from a recent Department of the Treasury Bulletin, please know the following:

Recent legislation increased the income eligibility limits for the Property Tax Reimbursement Program, which reimburses eligible seniors and disabled persons for property tax increases. The income limits for all applicants, whether single, married or in a civil union have been changed to \$60,000 and \$80,000 or less for 2009. The income limits will increase annually thereafter by the amount of the maximum Social Security benefit cost-of-living increase.

As a result of this increase, some senior and disabled NJ residents who did not qualify because their total 2007 income was too high, are now eligible for a 2007 reimbursement, provided they meet all the other eligibility requirements. The income eligibility limits for 2007 have increased from less than \$45,135 for single applicants and less than \$55,344 (combined income) for married/civil union couples to \$60,000 or less for all applicants whether single or married in a civil union.

If you have any questions please call the State at 1-800-882-6597. Agents are available from 8:30am to 4:30pm.

STATE LIBRARY GROUP HONORS ETHEL H. JOHNSON

The New Jersey Library Association held its Annual Conference in Long Branch, NJ in April. At the Honors and Awards Reception, Mrs. Ethel H. Johnson, Vice-President of the Harrington Park Public Library, received a Library Service Award as a trustee of the Library, presented by Patricia Tumulty, Executive Director of the NJ Library Association. The presenter spoke about Mrs. Johnson's efforts with municipalizing the Harrington Park Library and participation on the BCCLS Trustee Committee, The Bergen County Library Trustee Association and the New Jersey Library Trustee Association. Mrs. Johnson was thanked for her wonderful service. Mrs. Johnson has always enjoyed her work with the library because "libraries are for all people."

COMMUNITY HOSPICE OF BERGEN COUNTY NEEDS OUR HELP

Community Hospice of Bergen County is newly-formed and actively fundraising in the Pascack Valley and Northern Valley areas. The need for such a group is well established and in order to begin accepting patients, a total of \$300,000 has to be raised. This not-for-profit organization is deserving of your consideration. The group has a vast, cumulative experience in all areas of hospice and wishes to provide care for each patient and /or family as their needs require. Thank you for your consideration. You can help by mailing a donation to:

Community Hospice of Bergen County at

105 Fairview Avenue, Westwood, NJ 07675 or on-line at communityhospice@verizon.net.

GIRL SCOUTS EARN SILVER AWARD

The Silver Award represents a girl's accomplishments in Scouting as she works to improve the lives of others in the community.

Harrington Park 8th grader Katie Batchelor, Troop 730, has earned her Silver Award by creating a program called "Books With Benny". Katie, and her pet therapy dog, Benny have read books and chatted with the residents at the Bergen County Health Care Center in Rockleigh. Not only has Katie chosen to continue this program at the BCHCC, but invited their residents to attend the dress rehearsal of the 8th grade play, *Guys and Dolls*.

Ten-9th graders from Troop 702 have also earned the Silver Award. Their focus was on Beechwood Park and Watershed education. This project culminated in an art show and display that took place last year.

The young ladies involved in this group are: Emma Bolla, Ciara Dunlea, Katie Fisher, Nenagh Goerg, Lindsay Hagemen, Meagan Jursch, Eileen Lee, Emily Pearson, Caroline Phinney and Caitlin Scappi.

Congratulations for a job well done.

HELP US KEEP IT CLEAN

Recently, two people who walk as part of an exercise program, informed me that they carry bags with them to pick up debris from our roadways. I am asking that you remind members of your household about the importance of not littering the streets of Harrington Park. While the number of people littering is small, the result is unsightly and diminishes the eye appeal of the Borough. Thank you for your assistance.

....Paul A. Hoelscher, Mayor
