VP-Rita Dougherty

To JOIN- call PETE 201-767-8411

**New members are always welcome to join or go on a trip! Lunch served at all meetings
Call 767-8411 or come to the next meeting on the second Friday of each month at the Community Church-Bring a friend and help our club grow!**

A Big THANK YOU to the HP School band & ensembles for their wonderful performances at our April meeting.

Our 4 day trip to Virginia for the Azalea Festival, NATO Fest Parade & activities, Norfolk Naval Base tour, MacArthur Memorial Museum visit, & Va. International Tattoo Show (Military Marching, music, and more) was a great success
Think about joining us on our next overnight trip!

Upcoming trips:

May 21st – Wednesday: Club 60 is going to the Brownstone to see “Viva Las Vegas”. Dance, dine and enjoy a fantastic show. The cost is \$46. The bus departs HP parking lot at 9:45 AM. Space is still available.

June 6th – Friday: Enjoy a day at the Monmouth Racetrack. We reserved the Rivalry Room, a private air-conditioned room overlooking the track. A buffet-style luncheon will be served. The cost is \$39.00. The bus departs the HP parking lot at 9:15 AM. Call Dot at 201-664-1884 or Ina at 201-767-3754 if interested.

HP Environmental Commission and Green Team sponsored a cleanup of south end of Brook Street woods on March 29th. 2 tires, large metal pipe, poles and other scrap metal, large styrofoam coolers, a garbage can, 10 bags of garbage and 6 green barrels full of recyclables were picked up and properly disposed of. Keep an eye out, planning another cleanup in fall

From the Mayor's Desk....

CSX Train Traffic Review

Based on my concerns over what is being transferred through the Borough of Harrington Park, (number of trains, speed and length), I have organized a meeting to discuss this issue. Harrington Park will be hosting a meeting on May 29th at the Borough Hall for all the Northern Valley Mayors, their Chiefs of Police and Emergency Management Coordinators.

The main purpose of this meeting is to discuss the procedures to deal with various types of situations that involve the safety of our residents. CSX has been very cooperative with our request. A representative from the New Jersey Department of Environmental Protection will also be attending.

I will keep you informed as to the outcome of our meeting. The safety and security of our residents is a paramount interest of mine and a meeting such as this will go a long way to insure both.

Property Tax Reform....MAYBE?

One of the best attended panel sessions at the New Jersey Conference of Mayors Convention addressed the need for **real** property tax reform. The convention, which I attended, took place from April 30 through May 2, 2014.

While the 2% cap on municipal spending has helped control taxes, it does not address the true cause of the problem.

New Jersey is still using property tax to fund education. It is probably the only state in the union that still functions in this manner. The use of a broad base tax would reduce the burden of property taxation on all residents, but especially those on fixed incomes.

I was impressed with the strong support given by Assembly Majority Leader Louis Greenwald who was part of the panel. As a member of the Board of Directors of the NJCM from Bergen County, I have offered my support and time in the promotion of property tax reform efforts.

I am sure you realize that only about twenty cents of every property tax dollar is earmarked to pay for your current municipal services. Real reform might help keep more of our residents in Harrington Park.

Lightning Detection in Harrington Park

A Lightning Detection System has been installed in our parks and school fields consisting of horns and strobe lights, covering an area that is roughly 700 yards.

When lightning up to 10 miles away is detected, the signals will be activated. The detector, located centrally in Norwood, will send a signal to remote devices located in all participating Northern Section municipalities. The three fields outfitted with the emergency notification devices are the Harrington Park School, Highland Field and Pondside Park.

When first activated, residents will hear three blasts of the siren and a strobe light will flash and continue to flash until no lightning is detected for 30 minutes. The "all clear" signal to notify residents that it is safe to return to the fields or parks is one siren blast and the deactivation of the strobe lights. Until hearing the "all clear" signal, residents must go to their vehicles or a permanent structure for shelter.

.....continued on next page

From the Mayor's Desk continued....

HP Received a \$149,000 Grant

I am pleased to inform you that the Borough has received a \$149,000 grant from the New Jersey Department of Transportation. The grant will be used to repair and pave Lynn Street from Harriot Avenue north in the direction of Pine Place.

Other road repairs are planned for the area around Don Horsey Park and Harriot Place from George Street to where it intersects with Harriot Avenue near Thomas Street.

We are also working with the Riverside Cooperative to develop a serious plan to address other roadways throughout the Borough. Since our debt service is nearly eliminated, we are considering a new bond ordinance to fund several well needed projects and municipal equipment.

A TIME TO REFLECT

Please join us on Memorial Day, Monday May 26, 2014 at 9:30am (line up at 9am) as we remember and celebrate the sacrifices made by those who have died in the defense of the liberties we enjoy every day.

I ask every adult member of Harrington Park to help educate and inform our younger citizens of the historic significance of Memorial Day. It is vitally important that we never forget the reasons why so many thousands of our best and brightest have made the ultimate sacrifice in the defense of the democratic principles that are the foundation of our society.

Hopefully, I will see you at our Memorial Day Parade.

**As always we are proud of all our graduates from Harrington Park.
Congratulations to the Class of 2014-Job well done!**

Have a safe and enjoyable summer,

Paul A. Hoelscher, Mayor

WATERSHED RECREATION PROGRAM

The Watershed Recreation Program is now open from April 1 to November 30, 2013.

Participants can fish, walk, bird watch, hike, or simply enjoy nature.

Access to 4 reservoirs – Old Tappan, Woodcliff Lake, Oradell and Lake DeForest in Rockland County.

For an application and program information; go to unitedwater.com/newjersey/community.aspx or call Starnet at 201-760-2600
