endeavors.

We are continuing to plan for new corners
of town to be improved & enhanced . You'll
be seeing more changes happen just as
soon as funds become available.

Below is a before and after picture of the
team effort between our DPW and Bill
Miller . Bill has volunteered to paint the
park benches. They are being done one
park at a time.

**The Town Signs are very near
fruition. With the support of
organizations in town, we are getting

IT'S FINALLY OVER

I did not know a single resident in Harrington Park who is sorry the winter of 2014-2015 is over. So, with the arrival of good Spring weather, I want to thank Mr. Mark Kiernan, the Superintendent of our DPW. I refer to our Public Works Department as the "Kiernan's Korps." Regardless of the season, our DPW is always at the top of their game. I travel Bergen County on a regular basis, so I really appreciate what a great crew we have in Harrington Park. In addition to Mark, our department includes:

Kevin Murphy, DPW Foreman

John Russo

Russell Carpanini

Steve Skonier

Steve Nappi

Tom Simpson

Jack Lewis (Recycling Center)

Whether it's snow, leaves or routine matters, our DPW does an outstanding job. Gentlemen, we all thank you for your service to our residents.

LT. DAVID HAENELT HONORED

On Tuesday, April 21, 2015, Lt. David Haenelt, a Harrington Park resident helped save seven people and their pet dog from a fire in Englewood. Mr. Haenelt is employed by the Englewood Fire Department. He was off duty, and on his way to the airport to attend fire training in Indianapolis. Around 7:15am, he spotted flames coming from a home on West Street in Englewood. While the Fire Department was on its way, Lt. Haenelt led the family to safety. Upon arrival of the Department, Mr. Haenelt left the scene, still able to make his flight to Indiana.

The Mayor and Council honored Lt. Haenelt at the May 18, 2015 meeting. The ceremony was well attended by those expressing their appreciation for his humanitarian effort. We are all grateful that there are people like David Haenelt, who are willing to put themselves at risk to serve and save others.

CONGRATULATIONS GRADUATES

Whether it's grade school, high school, or college, I offer my best wishes to all those who will take part in any commencement exercise. One of the reasons that our young residents return to town, or draws newcomers to Harrington Park, is the quality of our education programs (Grade K to 12). Our young scholars are well prepared for college and future employment. The newspapers are filled with the names of students who make the Honor Roll and are members of Honor Societies of our colleges and universities. I ask our parents and grandparents to continue their support of our students and their academic pursuits. Congratulations and Good Luck.

.....CONTINUED ON NEXT PAGE

From the Mayor's Desk continued....

OUR YOUTH IN THE NEWS
EAGLE SCOUT JOSEPH WILLIAM NEICE

Joseph W. Niece, is Troop 616's newest Eagle Scout. On Saturday, May 9, 2015, a Court of Honor was held at the Community Church. Joseph joins a long list of Harrington Park scouts who have achieved the highest honor possible in the Boy Scout program. He earned 52 Merit Badges since joining Troop 616 in 2008. Joseph's Eagle Project involved building, mounting, and displaying informational signs of the town's local flora and fauna at Beechwood Park, Highland Field, and Pondside Park. He also constructed a covered kiosk bench at our tennis courts. I was honored to be part of Joseph's Court of Honor, and wish him well, as he starts his college career at Rutgers University this Fall.

FIRST GRADE SUPER READERS

Our First Grade students were honored on Thursday, May 7, 2015, for an outstanding achievement. The 65 members of the First Grade read over 5000 books as part of the Mayor's Reading Program. The New Jersey League of Municipalities sponsored the program and will send the Harrington Park School \$1000 to be used to enhance the First Grade Library. Our young readers had a lot of support from their parents, teachers and the school administration. They may have set a State record for the number of books read. Keep up the good work!

LILY GRAHAM

Lily Graham, who we honored several months ago, as the NJ State Champion in NRA Indoor Precision Air Rifle Competition, was a participant at the Junior Olympics in Colorado. Competing amongst seasoned veterans, she made an excellent showing. Lily, will be attending John Jay College this Fall, and will be a member their Rifle and Pistol Team. With the training she will receive during this experience, Lily should be able to advance even further in the 2016 Junior Olympics. Congratulations and best of luck. Harrington Park is rooting for you!

FREEDOM ISN'T FREE

This Memorial Day, please take time to express in some way, your appreciation for all those who died in the defense of our liberty. In the course of our history, over 1,300,000 individuals have paid the ultimate price in their defense of our democratic principles.

Hopefully, some day, we will achieve world peace. Until then, let us maintain a strong Defense, and express our appreciation to all who have served, and continue to volunteer, to keep us free. Make Memorial Day a time to reflect and remember. Thank you.
