FIRE PREVENTION

from Tom Simpson, *Fire Marshal*

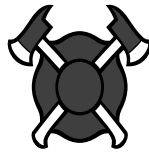

Now that the cooler weather is here and you will be utilizing your heating system, please make sure that you do the following:

1. Have the unit serviced and the chimney cleaned and inspected.
2. Make sure your fireplace or wood stove is cleaned out and that the chimney has been inspected.
3. When cleaning out your fireplace or wood stove please make sure that you put the ashes into a metal container remove them from your house and place them away from your house. **DO NOT PUT THEM IN PLASTIC BAGS.**
4. Have all of your holiday lights inspected for bad wires. If found, discard them immediately.
5. If you are using live holiday decorations please make sure that you keep them watered to prevent drying out. If they are dry remove them from your home.
6. Please change the batteries in your smoke alarms and carbon monoxide detector every six months. Now is the time to do it.

The life you save may be yours.

HARRINGTON PARK FIRE DEPARTMENT

The Harrington Park Fire Department has been a 100% volunteer organization since its founding in 1911. One hundred and twelve years later, we find ourselves at a crossroads as volunteerism has dipped. While we still maintain a strong roster, we are always looking for new members to join our ranks. We also run a Junior Fire Fighter's program for those interested who are 16-18 years old. For more information on who we are, what we do, and how to join, email us at join@hpfire.org or stop by the Fire House on the 1st and 3rd Thursdays of every month at 8 p.m.

ENVIRONMENTAL COMMISSION

Although the Sunday farmers markets have ended, the honey harvested this year from Harrington Park hives is still available to purchase at the Borough office. Also, stop by our table at the Home for the holiday fair and tree lighting on the first Sunday in December. Besides honey, we will also have holiday-scented candles and hand cream.

Some environmental tips as winter approaches:

1. Don't cut back your ornamental grasses and perennials until spring and let some dead leaves remain in garden beds. The seeds and leaves provide wintering sites for beneficial insects and butterflies.
2. Use LED lights on Christmas decorations both in and outdoors, as they draw less energy and are safer since they don't heat up.
3. Remember to remove all ornaments and plastic disposal bags from trees before discarding them at the curb.

Have a great Holiday Season!

HARRINGTON PARK POLICE DEPARTMENT

A friendly reminder to all HP residents, the Harrington Park Borough Ordinance 331-11 prohibits vehicles from being parked on any borough street from 2 a.m. to 5 a.m. Residents should call 201-768-2100 and request an overnight voicemail if they need to leave a car on the street overnight.

We meet on the second Friday of each month except Dec. in Founders Hall at the Community Church at Noon. Meetings include lunch and entertainment.

Monthly day trips are planned as weather permits.

For information about joining Club 60, call Pete at 201 213-6641

FROM THE MAYOR'S DESK

As we approach the fall and winter seasons, there are a couple of items to remember:

LEAF PICK-UP

When your landscapers clean your lawns of leaves, please make sure that the leaves are placed at the curb or your property not in the street. This will keep our drainage system clear and avoid flooding. Our D.P.W. tries to pick up leaves at least once a week. This service ends as we get into the winter season.

SPECIAL THANKS

On September 9, 2023, we held our annual Town Day. Town Day had a great turnout, as it has for many years. The Farmers Market, held every Sunday, from August to October, is one of Harrington Park's popular activities and we are known to hold one of the best Farmers Markets in Bergen County. I would like to take the opportunity to thank the Harrington Park Recreation Commission, the Harrington Park Community Business Alliance, and the Borough employees for organizing both events.

I would also like to thank Three Brothers Landscaping for maintaining the Harrington Park 9-11 Memorial. They did a fantastic pro-bono job and we are very grateful.

STAY WELL

STAY SAFE

STAY POSITIVE

Mayor Paul A. Hoelscher

If you have suggestions or questions or note omissions, please email clerk@harringtonparknj.gov.

"TIS THE SEASON
Sunday, December 3, 2023, at 5 p.m., please join us as we begin the holiday season by lighting the Menorah and the Christmas Tree. In addition, Santa Claus will attend this event to add to our holiday cheer. As part of this festivity, hot chocolate and treats will be served. We will also be hosting crafts, food vendors, and games for the children. If you cannot join us, please accept my best wishes for a Merry Christmas, Happy Hanukkah, and a Happy & Healthy New Year. Hopefully, your 2024 will be filled with good health, happiness, and a true sense of peace and tranquility.
